

KODAK

Portable HDD P232 Specification

The KODAK HDD P232 is a highly secure and stable 2.5-inch dual disk portable hard drive that can provide a capacity range of 500GB~4TB, expanding user data storage space and enabling multiple backups of big data.

The speed can achieve high performance of UP to 120 MB/s¹ read and UP to 110 MB/s write.

Widely compatible and adaptable to various smart devices, tailored for users who need to backup and move large files, providing powerful security and stability performance.
